### WELCOME TO THE WTCS REPOSITORY

1. Use the left menu to navigate by subject area.
2. Once you open the project, each tab has a Quick Print screen to create a document or printout of curriculum projects.
3. If you are a WTCS College member, contact your WIDS Site Administrator to get the project imported to your site.

### HOW TO USE THE REPOSITORY VIDEO

Click here for a brief guided tour of How to Use the WTCS Repository.

### HOW TO FIND TSA DOCUMENTS

Search for the program title or number. Open the program and select the **Documents** tab and the **Project Management Documents** screen. Help finding TSA Documents.

### HOW TO FIND HSED 5.09 DOCUMENTS

The HSED 5.09 area includes WTCS High School Equivalency documents, including course descriptions, guidance documentation, and a Letter of Assurances for programs who want to request additional support material. Click on HSED in the left menu to access documents.

#### 4. Click on ARISE Project

Course Title  
Augmented Reality Integrated Simulation Education - ARISE (CVTC)

Alternative Title

Course Description  
This project was developed and shared by CVTC as part of a 2014 TAACGCT Grant under the Advancing Careers and Training for Healthcare (ACT for Healthcare) collaboration among 16 Wisconsin technical colleges for enhancing healthcare training programs. The Augmented Reality Integrated Simulation Education (ARISE) project designs health care simulations using iPads, QR codes and rich media via the ARIS open-source platform to augment both high and low fidelity simulation and enhance learner engagement. The scenarios are found within the Shared Documents area in this course.

Credits/Hours Types of Instruction

6. Click on "Shared Documents"

The screenshot shows the WTCS Repository interface. The top navigation bar includes 'Project Management', 'Course Outcome Summary', 'My Learning Plans', 'My PATs', and 'Documents'. The left sidebar has 'Course Documents', 'Project Management Documents', and 'Shared Documents'. The main content area is titled 'Augmented Reality Integrated Simulation Education - ARISE (CVTC) - Project Documents' and shows a folder icon for 'Project Management Documents'. Below this is a table with columns 'Name', 'Date', and 'Kind', containing the text 'No records to display.'

7. Find all Teaching Plans in folders arranged by Storylines. "Getting Started" Information is provided in a folder, which includes technical information about how to use the iPad and ARIS software. It also includes a folder containing a Curriculum Mapping Table to use to select scenarios by course.
